Jeison Dany Roblero Gálvez

Systems Engineering Student and Expert Accountant with a Computer Orientation

📍 Zona 2 Boca del Monte, Villa Canales, Guatemala, 01069 Guatemala ✉ contact@jeisonroblero.ga 📞 +502 58982159

Profile

Enthusiastic young man with an interest in the web development industry, interested in joining the team as a web programmer. My goal is to contribute my knowledge to create responsive, easy to use and feature rich professional websites as well as being part of a leading and successful work group where I can further develop my skills. Knowledge in frontend development such as HTML5, CSS3, JavaScript, Bootstrap; and in backend such as PHP, Java, MySQL, among others.
